OFFICE OF THE REGISTRAR

June 8, 2026

Dear AUB Students,

This is a gentle reminder that Phase II registration for the Fall 2026-27 term will commence tomorrow, June 9, 2026, and will remain open through June 11, 2026.

New Three-Phase Registration Mechanism for Fall 2026-27.
To enhance flexibility and provide additional opportunities for students to complete their registration efficiently after seeking academic advising, registration for the Fall 2026–27 term is being conducted through a three-phase registration model.

With Phase I having concluded in April, students will have the following remaining registration opportunities:

- **Phase II:** June 9, 10, and 11, 2026
- **Phase III:** August 11, 12, and 13, 2026

Please note that registration time tickets for phases II and III are generated and can be viewed on AUBsis or by accessing the Fall 2026-27 Registration Guide on the Office of the Registrar webpage. These tickets will open and close daily at the same time, throughout the registration period.

Alternate PINs for registration are generated for students who require them and can be obtained from your academic advisor(s), **with unique pins issued for each term**.

Please note that registering for a course during this period is a prerequisite for making any subsequent changes to your schedule during the drop and add period. Therefore, we strongly encourage you to take immediate action and ensure your complete fall registration is completed before the deadline.

Important Alerts.

Kindly remember that registering for courses for any purpose other than your own program completion is a violation of the student code of conduct and will be referred for disciplinary action.

Furthermore, automating course registration through scripts, bots, or programs generates an excessive number of system requests, leading to system resource exhaustion and degraded performance, which violates system integrity policies and is strictly prohibited. Any attempts to manipulate the registration system in this manner will be considered an abuse of university resources and may result in disciplinary action, including but not limited to the cancellation of course registrations, restriction of system access, and referral to the appropriate University conduct committee.

If you encounter any difficulties or have questions, please do not hesitate to reach out to the Registration Team for assistance. Kindly include your AUB ID number in any correspondence.

Thank you for your prompt attention to this matter.

Kind Regards,

Office of the Registrar
